

A step-by-step process to getting service on your wheelchair van from anywhere in Canada

- Get all of your information ready:
 - Your name and organization
 - Your location
 - Determine if you need remote technical service
 - Gather some basic information about your vehicle: What conversions have been made, who did them (us, or another conversion company), and what the current issues are
 - Your van's VIN (Vehicle Identification Number)
- Reach out to MoveMobility at 844-951-3808
 - Speak to a customer care representative
